

## Stirling Homes Queensland THE ALABAMA

The Alabama is a stunning modern timber home, with all the old 'Queenslander' appeal. This immaculate design features three bedrooms, which remain perfectly private towards the rear of the home. The home features polished timber floor boards, which adds a touch of elegance. The spotted gum timber verandah wraps around three sides of this home, giving plenty of room to entertain. Adding to the individuality of this home is the large sunken lounge area, which is yet another perfect entertaining area of this home. The kitchen is a stand out feature with the centre bench oven making cooking and entertaining a dream. This is a beautifully designed, warm and inviting country style home that would be a pleasure to live in for any family.
