

Stirling Homes Queensland THE FLORIDA

The Florida is a perfect design for casual, family living. On first arrival into this lovely home, you are greeted by the spacious living area. On your way through you will see the very practical kitchen, which adjoins the family and dining areas. The bedrooms are secluded from the hub of the house, made separate by a hallway running the length of this home. Large windows and sliding glass doors give amazing light and ventilation, and complete the look of this modern and stylish home.
