

Stirling Homes Queensland THE NEBRASKA

This beautifully presented home is a treat for the whole family, inside and out. Upon arrival you are greeted by the large alfresco area, which invites you into the home. Once inside you enter the open plan living and dining areas which are complimented by a stunning, country feel kitchen. This then leads you out onto the back verandah, where you are free to enjoy the open air and views surrounding you. The children's bedrooms are secluded to the left quadrant of the house and surround an activity room which can be shut off from the rest of the house. The Master bedroom has a behind bed walk in robe and large ensuite featuring its own bath.
