

## Stirling Homes Queensland THE NEVADA

The Nevada is a practical, modern home designed for today's family. Once you walk through the beautiful, private entrance you are wowed by the open kitchen and dining areas, which lead you out onto an ambient alfresco area which is perfect for entertaining or outdoor dining. The children's bedrooms are located separately from the Master Bedroom, towards the front of the house. These bedrooms allow easy access to the bathroom and living areas.

With all these wonderful features, why not make the Nevada your new home?
