

Stirling Homes Queensland THE OKLAHOMA

As soon as you see this home, the beauty of it takes your breath away. A traditional looking country home, built to suit modern day living. The Oklahoma is an entertainers' delight with large, open verandahs wrapping around three sides of the home, a beautiful alfresco area off the kitchen and the dining area featuring its very own bar. Some lovely features of this home include the laundry, with ample cupboards and benches, making this space very practical; and the Master Bedroom with ensuite, walk in robe and very own parents retreat. This spacious and amazing home will be complimented by all who see it, year in and year out.
