The Oregon is a modern four bedroom Hebel render home. The fresh design features large open plan living and dining area with coffered ceilings with a large hardwood verandah. The design also includes a media room. Which can also be used for another bedroom, study or kids retreat.

The front façade is not only modern but adds a touch of style with the raised portico detailed with cladding and the uneven structure to the windows adds architectural elegance to this unique design. With unique street appeal and a well designed layout this design has something to make everyone smile, why not consider the Oregon for your new home?
