

## Stirling Homes Queensland THE WISCONSIN

The Wisconsin is a family friendly home designed for today's modern living. This four bedroom home is a smart design, further enhanced by zoned children's bedrooms and open plan living. To save space the laundry has been placed in a cupboard, away from the hub of the main home, yet close to the linen cupboard to make doing the laundry a breeze. The dining room is complimented by a spacious alfresco area, perfect for entertaining friends and family or simply enjoying the Queensland climate. This is a design where you can relax, unwind and enjoy the comforts of home.
