Stirling Homes Queensland THE HOMESTEAD

The Homestead design is a family friendly design, with room for everyone to relax and grow together. This well thought out design features three bedrooms and a study, with all of the bedrooms featuring a built in robe and the master contains a walk in robe. The 2 way bathroom is spacious and easily accessible. The living and dining areas are open plan and have access to both a front and back verandah making entertaining a breeze. With such wonderful features the only decision you need to make is where to build your new home.
